# PATHWAYS TO LEADERSHIP

BUILDING YOUR FUTURE IN SCHOOL LEADERSHIP

## A PROGRAM FOR ASPIRANT SCHOOL LEADERS

### Are you a teacher considering a future in school leadership?

Pathways to Leadership is a focused and aspirational professional learning journey designed to support Aspirants as they explore who they are as leaders, clarify where they want to go, and prepare for a range of school leadership roles.

This three-part series offers dedicated time to reflect, plan, and grow, supported by experienced leaders who have walked the path before and are committed to developing the next generation of school leaders.

### WHY THIS PROGRAM?

- ✓ Clarify your leadership aspirations and direction.
- ✓ Build confidence and momentum for your next step.
- ✓ Learn from experienced school leaders.
- ✓ Strengthen your leadership identity – before you hold the title.
- ✓ Translate experience into strong leadership applications.

Each session can stand alone, but together they form a powerful roadmap for personal and professional growth.

## PROGRAM OVERVIEW

### SESSION 1 | Tuesday 30 June 2026

#### Setting the Direction: Reflection, Vision and Momentum

This opening session begins with reflection and purpose, supporting you to explore your professional story, celebrate achievements, and identify key learnings from your leadership journey so far.

With your leadership vision in mind, the session then shifts to building a clear roadmap forward. You will clarify your personal why, reflect on what motivates you, and identify strategies to maintain momentum as you move toward future leadership opportunities.

### SESSION 2 | Wednesday 1 July 2026

#### Shaping Your Leadership Identity: Becoming the Leader You Want to Be

You don't need a title to start leading. In this session, you will explore a range of leadership styles and reflect on the kind of leader you aspire to become. Through insights and stories from experienced school leaders, you will deepen your understanding of values-driven leadership and consider how to enact those values authentically in your daily practice, relationships, and decision-making.

### SESSION 3 | Wednesday 23 September 2026

#### Putting It into Practice: Showcasing Your Leadership

In this final session, you will focus on applying for leadership roles with clarity and confidence. You will learn how to translate your experiences, capabilities, and growth from the series into strong, authentic applications that clearly articulate your leadership impact. The session will also support you to prepare for confident conversations, including interviews, so you can communicate your readiness for leadership effectively and authentically.

## WHO SHOULD ATTEND?

#### Teachers who:

- ✓ Are considering future leadership roles.
- ✓ Want clarity and confidence about their leadership journey.
- ✓ Are preparing for leadership applications or expressions of interest.
- ✓ Are ready to intentionally shape their future and step confidently into school leadership.

#### TAKE THE NEXT STEP IN YOUR LEADERSHIP JOURNEY.

Pathways to Leadership is your opportunity to reflect, connect, and move forward with purpose.

#### ABOUT QASSP LEARNING

QASSP provides quality and customisable learning for all stages of an educator's career. This is learning for the profession, by the profession.
